

5TH ANNUAL

CHARRO INVITATIONAL 2025

FRIDAY, MAY 2

GRAYHAWK GOLF CLUB

ABOUT US

Formed in 1961, the Scottsdale Charros are an all-volunteer group of business and civic leaders dedicated to providing support and funding for youth programs, educational scholarships and grants to local charities.

The Scottsdale Charros have a rich history of supporting education through programs for Scottsdale Unified School District and Scottsdale Community College, as well as education and youth programs delivered through community-based nonprofits. The Charros proudly sponsor our schools, teachers, and students through a variety of initiatives, investing both dollars and time. The Charros Education Committee works year-round to manage our education initiatives and has a close working relationship with the school district and Scottsdale Community College leadership. Charros liaisons work closely with the principals to identify each school's unique needs and communicate our education initiatives. The Scottsdale Charros are dedicated to working with each of Scottsdale Unified School District's schools by bringing programs, resources, and scholarships to the schools and recognizing the district's outstanding students and educators.

Swingin' Spurs and fairway frontiers: Where Golf Meets the Wild West!
